Attention: Albert Soares

Dear Mr. Soares:

The Sacramento Area Council of Governments (SACOG), using the authority delegated to it by Caltrans, approves Administrative Modification #29 to the SACOG 2017-20 Metropolitan Transportation Improvement Program (MTIP). This constitutes an administrative modification to the Federal Statewide Transportation Improvement Program (FSTIP). The changes are consistent with the FSTIP Amendment and Administrative Modification Procedures. The approved changes will not impact SACOG's financial constraint or the region's air quality conformity.

The SACOG Board has delegated the authority to approve administrative modifications to SACOG staff. Further, administrative modifications do not require the approval of Caltrans, the Federal Highway Administration, or the Federal Transit Administration. And, since administrative modifications do not require public review, the changes are now included in California's 2017 FSTIP.

If you have any questions, please contact José Luis Cáceres at (916) 340-6218.

Sincerely,

**Matt Carpenter**  
Director of Transportation Services

Project Description

In El Dorado County, in the "Apple Hill" area, specifically the Camino Area, along Carson Road between Hassler Road and Upper Carson Road: Implement a pilot project to improve safety and congestion by providing traffic flow improvements that will support reinstatement of the El Dorado Transit Apple Hill Shuttle. The temporary traffic control measures will restrict passenger vehicles to one direction on 2.5 miles of the busiest route, Carson Road, allowing transit buses to operate exclusively in the other lane. The pilot project will take place between 10:00 a.m. to 5:00 p.m. each weekend day for the four weekends of October 2018.
