To comply with this subdivision, the owner shall do one or both of the following:

H. The standard conditions set forth herein may be modified by the Planning Commission, upon request of the owner based on site specific circumstances for the purpose of allowing reasonable accommodation of a short term rental. All requests must be in writing and shall identify how the strict application of the standard conditions creates an unreasonable hardship to a property such that, if the requirement is not modified, reasonable use of the property for a short term rental would not be allowed. Any hardships identified must relate to physical constraints to the subject site and shall not be self-induced or economic. Any modifications of the standard conditions shall not further exacerbate an already existing problem.

Section Ten: California Environmental Quality Act. The City Council has considered all of the evidence in the record, including the staff reports, the testimony received during the meeting on the matter held by the City Council, and hereby determines that that the adoption of provisions of this Ordinance related to short-term rentals will not have a significant effect on the environment. The provisions of this Ordinance related to short-term rentals are therefore exempt from California Environmental Quality Act (CEQA) review pursuant to Title 14, Section 15061(b)(3) of the California Code of Regulations. Additionally, the remaining proposed changes constitute minor adjustments to the City’s zoning ordinance to implement new State law requirements related to second living units as established in Government Code section 65852.2. Those provisions, therefore, are statutorily exempt from review under CEQA pursuant to Public Resources Code section 21080.17, which states that CEQA does not apply to a city’s adoption of an ordinance to implement the provisions of Government Code section 65852.2. Finally, the ordinance is not a "project" under CEQA Guidelines section 15378, because it is an activity that will not cause a direct (or reasonably foreseeable indirect) physical change in the environment. If this Ordinance is found subject to CEQA, it is categorically exempt therefrom pursuant to Title 14, Section 15305 of the California Code of Regulations (Minor Alterations in Land Use Limitations).

Section Eleven: Severability. If any section, subsection, subdivision, paragraph, sentence, clause or phrase of this Ordinance is for any reason held to be invalid or unenforceable, such invalidity or unenforceability shall not affect the validity or enforceability of the remaining sections, subsections, subdivisions, paragraphs, sentences, clauses or phrases of this Ordinance or the rules adopted hereby. The City Council of the City of Auburn hereby declares that it would have adopted each section, subsection, subdivision, paragraph, sentence, clause or phrase hereof, irrespective of the fact that any one or more other remaining sections, subsections, subdivisions, paragraphs, sentences, clauses or phrases hereof be declared invalid or unenforceable.

Section Twelve: Inconsistent Provisions. Any provision of the Auburn Municipal Code or appendices thereto inconsistent with the provisions of this Ordinance, to the extent of such inconsistencies and no further, is hereby repealed or modified to the extent necessary to implement the provisions of this Ordinance.
Section Thirteen: Publication and Effective Date. This ordinance shall take effect 30 days after final adoption. The City Clerk shall certify to the passage and adoption of this Ordinance and shall give notice of its adoption as required by law. Pursuant to Government Code section 36933, a summary of this Ordinance may be published and posted in lieu of publication and posting of the entire text.
