November 18, 2019

Mr. Vincent Mammano
Division Administrator
Federal Highway Administration
650 Capitol Mall, Suite 4-100
Sacramento, CA 95814

Attention: Ms. Tashia Clemons

Mr. Ray Tellis
Regional Administrator
Federal Transit Administration
90 Seventh Street, Suite 15-300
San Francisco, CA 94103

Attention: Mr. Ted Matley

Dear Ms. Clemons and Mr. Matley:

The California Department of Transportation (Caltrans) has completed the review of the following amendment to the Sacramento Area Council of Governments’ (SACOG) 2018/19 – 2021/22 Federal Transportation Improvement Program (FTIP):

<table>
<thead>
<tr>
<th>No.</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>18</td>
<td><strong>Local, State and Transit Transportation Systems</strong></td>
</tr>
</tbody>
</table>

- This amendment adds, modifies or deletes projects that include funding from the Highway Bridge Program, Congestion Mitigation and Air Quality Improvement Program, State Highway Operation and Protection Program, State Transportation Improvement Program, Federal Earmarks, and the Road Repair and Accountability Act of 2017.

See enclosure.

SACOG has certified that the amendment is consistent with the transportation planning requirements per 23 Code of Federal Regulations Part 450, is financially constrained, is consistent with the regional emission analysis, does not affect timely implementation of the transportation control measures, and meets the requirements of public involvement procedures adopted by SACOG.

Pursuant to the authority delegated to me by the Director of Caltrans, I approve SACOG’s Amendment Number 18. I also recommend that the Federal Highway Administration and the Federal Transit Administration approve this FTIP amendment for inclusion into California’s 2019 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP, in fiscal years beyond the four-year cycle of the current FSTIP, are not approved as part of this FTIP amendment and are for information

"Provide a safe, sustainable, integrated and efficient transportation system to enhance California’s economy and livability"
only. Approval of this amendment does not constitute an eligibility determination of projects for federal funding.

Please address any questions on this FSTIP approval request to Albert Soares of my staff, at (916) 653-7140.

Sincerely,

[Signature]

BRUCE DE TERRA
Chief
Division of Transportation Programming
