

Invitation

Is Your Community Plug-in Electric Vehicle Ready?

Plug-in electric vehicles are here now...and more are coming. Receive a complete toolkit that compiles guidelines, best practices and recommendations – the resources you need to respond to evolving issues around codes, permitting and procedures to support the growing PEV market.

Space is limited.
To RSVP, click [here](#).

Join us for a FREE workshop

Hosted by SACOG and the California Plug-In Electric Vehicle Collaborative
