(= in person)

The background is dark grey with several colorful triangles in shades of blue, green, orange, and pink. A large light blue triangle is in the top right, a large pink triangle is in the bottom right, and a large green triangle is in the bottom center. Smaller triangles of various colors are scattered in the bottom left.

“

Our family moved here (El Dorado Hills) from Stockton so we could be closer to things. Now we bike as a family to school and even walked to the park for this event. And to soccer games. Now I love it here.

”

5. How do you feel about the economic future of the Sacramento region?

7. As the region grows, which of the following is the most important to you?

More affordable housing
in all communities—rural,
urban, suburban, and
small town

More housing that is
closer to existing jobs,
shops, schools,
restaurants, and
transportation options

More types of housing
choice including more
apartments, lofts,
townhomes, condos

Preserving open
space, forests,
and farmland

6. Rank the three most important things that the region can do to improve the economy?

**Increase housing
affordability**

**Grow jobs and
investment in the
region**

**Support communities
where all people can
live, work, play, and
get around easily**
