

Grant Program	Nature of Grant Program	Next competitive round	SACOG staff contact (For TA, coordination, More Information etc.)
Transformative Climate Communities	Accelerates greenhouse gas reduction and advances local climate action in disadvantaged communities through an integrated, community-based approach. The Program is an opportunity to realize the State's vision of Vibrant Communities and Landscapes, demonstrating how community engagement coupled with strategic investments in transportation, housing, energy, natural resources, and waste can reduce greenhouse gas emissions and other pollution, while also addressing growing equity issues and enhancing economic opportunity and community resilience.	Planning Grant Applications must be submitted no later than 5:00 p.m. on Thursday, November 30, 2017.	Renée Devere-Okie <a href="http://sgc.ca.gov/Grant-Programs/Transformative-Climate-Communities-Program.html">http://sgc.ca.gov/Grant-Programs/Transformative-Climate-Communities-Program.html</a>
Cap and Trade—Affordable Housing Sustainable Communities	Provides grants and affordable housing loans for compact transit-oriented development and related infrastructure and programs that reduce greenhouse gas emissions; projects increase the accessibility of housing, employment centers, and key destinations via low-carbon transportation options (walking, biking, transit) resulting in fewer vehicle miles traveled and mode shift.	Applications due January 16, 2018	Renée Devere-Okie <a href="http://www.sgc.ca.gov/Grant-Programs/AHSC-Program.html">http://www.sgc.ca.gov/Grant-Programs/AHSC-Program.html</a>
Transportation Demand Management Mini-Grants	<i>Guidelines under development:</i> Funds demonstration projects, educational programs, and promotional events that bring attention to all non-drive alone modes.	See SACOG November Board Committee Agendas	Adrienne Moretz <a href="http://www.sacog.org/transportation-demand-management-0">http://www.sacog.org/transportation-demand-management-0</a>
Local Partnership Program (SB 1)	<i>Draft Guidelines:</i> Road maintenance, rehabilitation, and other transportation improvement projects through state and local partnership; improvements to bicycle or pedestrian safety or mobility with an extended useful life are eligible expenses.	Applications due January 30, 2018	José Luis Cáceres <a href="http://www.catc.ca.gov/programs/SB1.html">http://www.catc.ca.gov/programs/SB1.html</a>
Solutions for Congested Corridors Program (SB 1)	<i>Draft Guidelines:</i> Funds specific improvements that are part of a comprehensive corridor plan designed to reduce congestion in highly traveled corridors by providing more transportation choices while preserving the character of the local community and creating opportunities for neighborhood enhancement projects. These improvements may be on the state highway system, local streets and roads, public transit facilities, bicycle and pedestrian facilities, or required mitigation or restoration, or some combination thereof.	Applications due February 16, 2018	Hilda Iorga <a href="http://www.catc.ca.gov/programs/SB1.html">http://www.catc.ca.gov/programs/SB1.html</a>
Caltrans Sustainable Communities Planning Grants	Fund planning grants that support the Caltrans Mission: Provide a safe, sustainable, integrated and efficient transportation system to enhance California's economy and livability. Projects are expected to directly benefit the multi-modal transportation system; Sustainable Communities Grants will also improve public health, social equity, environmental justice, and provide other important community benefits.	Call for projects January 2, 2018; applications due February 23, 2018	Sharon Sprowls <a href="http://www.dot.ca.gov/hq/tpp/grants.html">http://www.dot.ca.gov/hq/tpp/grants.html</a>
State Active Transportation Program Cycle 4	Encourages increased use of active modes of transportation, such as biking and walking, through increasing the proportion of biking and walking trips, increasing safety and mobility, enhancing public health, and ensuring that disadvantaged communities fully share in program benefits.	Estimated Spring of 2018	Victoria S. Cacciatore <a href="http://www.catc.ca.gov/programs/ATP.htm">http://www.catc.ca.gov/programs/ATP.htm</a>
SACOG Regional Funding Rounds	Implements the region's MTP/SCS and Blueprint by providing regional and local benefits through distinct sub-programs with specific goals: Air Quality, Bike/Ped, Community Design, and Regional/Local.	Estimated Spring of 2018	Garett Ballard-Rosa <a href="http://www.sacog.org/regional-funding-programs">http://www.sacog.org/regional-funding-programs</a>
Highway Safety Improvement Program	Funds local highway safety improvement projects.	May 2018	Coordinate directly with Caltrans staff <a href="http://dot.ca.gov/hq/LocalPrograms/hsip.html">http://dot.ca.gov/hq/LocalPrograms/hsip.html</a>
Regional Active Transportation Program Cycle 4	Funds bicycle and pedestrian infrastructure and non-infrastructure projects with consideration to how they implement regional plans and priorities; builds upon criteria from the State ATP.	Estimated Summer of 2018	Victoria S. Cacciatore <a href="http://www.sacog.org/active-transportation-program">http://www.sacog.org/active-transportation-program</a>
