“Walk to school, the environment will thank you”

Walk to school, the environment will thank you.

Name: Mysha • Grade: Kindergarten • School: Sutter Elementary

RIDE AT NIGHT
USE A LIGHT

Bike riders are required by law to use a light at night. Your light should be charged and ready to go at all times. Your bike should also have reflectors on each wheel, front, back, and on both pedals. Always carry back-up batteries, and don’t forget to wear bright and reflective clothing. It could save your life.

Be visible. It’s the Smart thing to do.
