

## Regional Planning Partnership

## Item #3 Information

March 27, 2019

**Subject:** Update on Project of Air Quality Concern Determinations

**Issue:** Staff will provide an update on the actions taken by MTC and the SACOG Project Level Conformity Group taken since November 7, 2018.

**Recommendation:** None, this item is for information only.

**Discussion:** The Sacramento Federal Nonattainment Area (SFNA) for PM<sub>2.5</sub> includes all of Sacramento County and portions of El Dorado, Placer, Yolo, and Solano Counties. The majority of the PM<sub>2.5</sub> SFNA and all of the PM<sub>10</sub> SFNA (i.e., Sacramento County) fall within the boundaries of SACOG's metropolitan planning area. Using delegated authority from the RPP, the Project Level Conformity Group (PLCG) is tasked with reviewing and taking action on PM<sub>2.5</sub> and PM<sub>10</sub> Project of Air Quality Concern (POAQC) determinations and hot spot analyses within the SACOG region.

For the portion of the PM<sub>2.5</sub> SFNA outside of the SACOG region, the Metropolitan Transportation Commission (MTC) is responsible for making conformity determinations for projects. A representative of the SFNA is responsible for participating in MTC's interagency consultation and providing quarterly reports of POAQC determinations in Eastern Solano County to the SACOG Regional Planning Partnership, and determining if individual projects need to be presented to both MTC's Air Quality Conformity Task Force and SACOG's PLCG. Mr. Matt Jones of Yolo Solano Air Quality Management District serves as the SFNA representative for MTC's interagency consultation.

Since November 2018, two projects were reviewed by SACOG's PLCG and were determined not to be POAQCs. No projects were reviewed in eastern Solano County through MTC's process.

1. Sacramento County Kammerer Rd Extension (Connector Segment) Project
2. Sacramento County Power Inn Rd Improvements project

Since the adoption of this process in 2011, the PLCG has reviewed 52 projects (Attachment A). Anyone from the RPP is welcome to be a member of the PLCG (Attachment B) and review POAQCs within the SACOG region. If you would like to join, please contact [sgao@sacog.org](mailto:sgao@sacog.org).
