Every Bike and Roll Counts

Previewing the bike/ped counter loan program

October 28, 2020
Victoria Cacciatore, Transportation Analyst

SACOG
Section 1

EQUIPMENT FOR LOAN
15 people counters (Pyro Box)

- Counts cyclists and pedestrians in urban and rural environments
- Will provide total number of people biking and walking (does not differentiate)
- Easily moved
10 bike-only counters (Tubes)

- Best for temporary (one-day to one-month) bike counting
- Can be used on- or off-street
- Easily moved *(comes with a charming chain and padlock)*
10 bike/ped counters (Multi)

- Mobile bike and pedestrian counter for short-term traffic and mode-share studies
- 5 for on-road facilities such as bike lanes and sidewalks
- 5 for off-road facilities such as multi-use trails
Section 2

BORROWING EQUIPMENT
First, get your master agreement with SACOG to borrow equipment. Then...

1. SACOG Consult
2. Equipment check-out
3. Install equipment and share data
4. Return equipment
5. Interest form
BUYING YOUR OWN COUNTERS
Cooperative Purchasing Agreement

• 5% discount on low-profile bike/ped counters (Pyro, Multi, Tubes)
• Discount on data transmittal
  ▪ optional—5% off one year, 10% off 3 years
• Streamlined purchasing for other counting equipment (CITIX, Real-time displays)
• Don’t forget the taxes!
