County Transportation Commissions
San Diego Metropolitan Transit System

Re: Transit System Safety, Security, and Disaster Response Account

Pursuant to Government Code (GC) section 8879.58, the State Controller's Office (SCO) is required to provide a schedule of eligible entities and to calculate the amount of funds each is available to receive from the Transit System Safety, Security, and Disaster Response Account upon appropriation of the Legislature for the purposes of GC section 8879.57(a)(1). Enclosed is a schedule that provides estimated amounts available from the Fiscal Year 2016-17 appropriation in the Budget Act of 2016.

GC section 8879.57(a)(1) requires that sixty percent of the funds made available be allocated to agencies and transit operators eligible to receive State Transit Assistance funds pursuant to sections 99313 and 99314 of the Public Utilities Code (PUC). The SCO is providing a detailed schedule of the GC section 8879.58(a)(3) eligible amounts for the entities eligible pursuant to PUC section 99314. Detail for PUC section 99313 allocations is not reported to the SCO; therefore, we are only able to provide eligible amounts for each county for GC section 8879.58(a)(2). From the GC section 8879.58(a)(2) eligible amount listed, the county transportation commissions are responsible for calculating eligible amounts for each project sponsor under their authority.

The amount of approved funds for GC section 8879.57(a)(1) is \$48,000,000. All estimated amounts will be reduced due to interest on a Pooled Money Investment Account Loan and State administrative charges. These amounts are unknown at this time.

Please contact Mike Silvera at (916) 323-0704 or by email at msilvera@sco.ca.gov if you have any questions or require additional information.

Sincerely,

A handwritten signature in black ink that reads "Jim Reisinger".

JIM REISINGER, Manager
Local Apportionments Section

Enclosure
