		<b>\$ 121,796,000</b>	

\*This list reflects all projects reported as received by the California Transportation Commission by the September 15, 2020, deadline.

\*\*Project sizes and types are established in the statewide ATP Guidelines and have different scoring criteria: small projects have a total project cost under \$2,000,000, large projects have a total project cost over \$7,000,000.

\*\*\*Project scope includes a non-infrastructure program.
