How to Enter: There are two methods of entry for the Pilot Program Prize Drawing.

1) Entry Method #1: an individual may become eligible to enter in the Prize Drawing by first participating in the Survey. To participate in the Survey, an individual must complete a survey online. The survey can be completed online at <https://bit.ly/3v8SOVY>. Submissions will be accepted until April 30, 2021. The Survey must be completed and submitted to SACOG online via the link provided, by 4:00 p.m. PST, May 3, 2021. Upon completion and submission of the survey online, the participant will be automatically entered into the Prize Drawing.

2) Entry Method #2: an individual will be eligible to enter the Prize Drawing by delivering a post card to SACOG with their name, address, phone number, and e-mail address on it and a note indicating the desire to be entered into the Prize Drawing. A postcard entry must be postmarked by 4:00 p.m. PST, May 3, 2021 to SACOG, Attn: Parks & Trails Survey 1415 L Street, Suite 300, Sacramento, California 95814. Limit one entry per person. SACOG is not responsible for entries that are lost, incomplete, damaged, illegible, late, or misdirected.

How to Win: Winner does not need to be present during the drawing to win a prize. Ten (10) winners will be randomly selected on May 6, 2021, in a random drawing conducted by a SACOG representative from among all eligible entries completed under Entry Method #1 or Entry Method #2. The drawing will be broadcast virtually at 9:00AM. Instructions to view the drawing will be posted on SACOG’s [website](#). The winners for the prizes will be drawn consecutively. The selected entry and winner for the first prize will not be eligible for selection for the second prize. The drawing is administered by SACOG whose decision is final on all matters related to the drawing.

Prizes, Approximate Retail Value, and Odds of Winning: Ten (10) \$50 Safeway® gift cards will be awarded at the drawing. Prizes consist of only those items specifically listed as a part of the prize.

Odds of winning will depend on the number of entries submitted in the drawing. SACOG reasonably estimates that there will be approximately 500 entries, resulting in odds of roughly 1:500 for each of the prizes. Odds of winning are the same for a Survey participant and an individual submitting a postcard.

How to Claim Your Prize: Each winner must meet all eligibility requirements set forth in these Official Rules to qualify for a prize. Each winner will be notified through their provided contact information. Winners will be asked to respond, indicating whether they prefer to collect their prize with valid identification card, or have it delivered by e-mail to the email address provided to SACOG upon submission of the Survey. By accepting the prize, the winners agree to be bound by these Official Rules.

If a potential winner cannot be contacted, or fails to return the response within one (1) week, they forfeit the prize. Potential winners must continue to comply with all terms and conditions of these Official Rules; winning is contingent upon fulfilling all requirements. In the event that the potential winner is disqualified for any reason, SACOG will award the prize to an alternate potential winner by random drawing from among all remaining eligible entries. Only three (3) alternate drawings will be held for each prize, after which each prize will remain un-awarded.
