Guest Speakers:
• Urban Planner, James Rojas
• City of Rocklin Councilmember/ SACOG Director, Jill Gayaldo
• Assemblymember Kevin Kiley
• City of Rocklin Parks & Rec Manager, Sarah Novo

Fieldtrip Location and Theme:
Quarry Park- students visited Quarry Park Adventures and learned about the history of the site and its repurposed uses.

Key Outcomes:
• Students learned about urban planning and how individuals can shape community outcomes.
• Through a “Place It” workshop led by urban planner James Rojas, students had the opportunity to design their own communities and evaluate the merits and challenges of their designs.
• Councilmember Jill Gayaldo and Assemblymember Kevin Kiley led students in a robust discussion about current projects happening in Rocklin and Placer County area.
• Students participated in a mock city council session in which they debated the viability of an affordable housing community by utilizing their knowledge of land use and community planning.
